Notes for Graduating Students

1. If you believe you are eligible to graduate you are responsible for advising the University by submitting an ‘Application for Award’ form when you have completed your program of study. Your name cannot be included on a graduation list until this form is submitted and approved. If you do not wish to attend a graduation ceremony you must still submit an ‘Application for Award’ form so that you can receive your testamur.

2. When completing this form please make sure your name is printed exactly as it appears on RMIT documentation. To accommodate cultural differences, RMIT will facilitate a different order of your name. Please detail the order you would like it to appear in, i.e. first name, middle name, family name etc.

3. Any outstanding debts owed to the University must be paid in full prior to the release of your testamur.

4. If you are enrolled in programs/courses that require Industrial Experience you should submit a letter from your employer giving evidence to the attainment of the required industrial experience. This letter should be attached to the ‘Application for Award’ form.

5. It is important that students wishing to graduate ensure that applications for Recognition of Prior Learning (RPL) are submitted early in the anticipated year of graduation. Results of RPL applications will need to be entered on the Statements of Results prior to the first day of the month in which the award is conferred.

6. The date on the certificate will be the date that the award is conferred. For graduates attending a ceremony this will be the date of the ceremony. For graduates receiving their award in absentia (i.e. not attend a ceremony) the date will be the last working day of the month in which the award is conferred. Certificates cannot be issued prior to the date that the award is conferred.

7. To ensure that you receive notification of ceremonies, tickets, certificates, etc., it is important that you advise your student administration office of any change of address that occurs after you lodge this form. You will need to complete a “Change of Information Form” [http://www.rmit.edu.au/student-records/studentforms](http://www.rmit.edu.au/student-records/studentforms) and lodge it at your student administration office.

8. RMIT graduation ceremonies are normally held in Melbourne in December, and in Vietnam, Kuala Lumpur, Singapore and Hong Kong, in September. You should indicate in the appropriate section on the ‘Application for Award’ form the location at which you wish to have your award conferred.

9. If you choose to have your award conferred in absentia (i.e. not attend a ceremony), your testamur will be forwarded to you in a mailing tube by registered mail as soon as possible after the approval process has been completed. All Certificate (I-IV) awards are conferred in absentia.

10. Enquiries regarding completion of your program of study should be directed to your School Student Administration Office.

11. Your completed form should be returned to your Student Administration Office.
